

Playa Herradura, Costa Rica

Greetings from all of us at Los Sueños Marriott Ocean & Golf Resort!

We have the pleasure to inform you about the 19th “La Iguana Invitational” Golf Tournament; which will take place on **Saturday, February 12 of 2022 at 9:00 a.m.** Players may participate exclusively by invitation. We will have golfers as members of the Los Sueños Marriott Golf Club, residents of Los Sueños Resort, as well as owners of yachts and boats at the Marina and other special participants.

The reason for carrying out this tournament is to have a high quality event at our beautiful Golf Course La Iguana and at the same time show our appreciation to our most loyal and continuous clients; by giving them a first class tournament where all players will enjoy several special activities, prizes from the sponsors and of course good competition. We will host 120 carefully selected and personally invited players. This is the nineteenth edition of this tournament that will have the presence of 120 players of which 75 players will qualify to play at night.

Our night golf tournament (La Iguana Nocturna) has already become a tradition and for that reason, your company will get publicity during the entire day and night. The 19 tournament will be realized with the top twenty five qualified teams of the day's event, which will allow your company to have greater promotion and exposure. The nighttime tournament will be held only on holes #10, #15, #16, #17 y #18.
